Washington, D.C. 20554

**RE: Lifeline and Link Up Reform and Modernization, WC Docket No. 11-42**

Dear Ms. Dortch:

Verizon is filing amended FCC Form 555s for (1) MCImetro ACCESS TRANSMISSION SVC (Study Area Code 449007); (2) GTE-SW dba VERIZON SW INC. TX (CONTEL) and GTE SW dba VERIZON SW INC. – TEXAS (Study Area Codes 442154 and 442080); and (3) VERIZON WASHINGTON, D.C. INC. (Study Area Code 575020). Verizon had used USAC's online filing system to file the original Form 555s for those ETCs with USAC on January 31, 2013. USAC's online filing system automatically displays a value of zero in column A of the Form 555 if the ETC populates column I. At the request of Wireline Competition Bureau staff, Verizon is amending its Form 555s for those ETCs to display, in column A, the number of subscribers claimed on Verizon's May, 2012 Form 497s.

Sincerely,

A handwritten signature in black ink that reads "Alan Buzacott".
