Dear Ms. Dortch:

On February 21, 2013, John Murdock, President, and Greg Rogers, Deputy General Counsel, of Bandwidth.com, Inc.; Michael Mooney, General Counsel, Regulatory Policy, and Andrea Pierantozzi, Vice President, Voice Services, of Level 3 Communications, LLC; and the undersigned ("CLEC Participants") spoke over the telephone with Michael Steffen, Office of Chairman Genachowski, and Lisa Gelb and Travis Litman, Wireline Competition Bureau. The CLEC Participants discussed the status of the waiver petitions seeking limited waiver of Section 52.15(g)(2)(i) to obtain direct access to number resources. They reiterated their opposition to granting the Petitioners' waivers, and their support for a broad, comprehensive NPRM.

As required by Section 1.1206(b), this ex parte notification is being filed electronically for inclusion in the public record of the above-referenced proceedings. If you have any questions or require additional information, please do not hesitate to contact me at 202.659.6655.

Sincerely,
