Re: *2010 Quadrennial Regulatory Review, MB Docket Nos. 07-294 and 09-182*

Dear Ms. Dortch:

The Newspaper Association of America supports the Minority Media and Telecommunications Council's plan to research the impact of cross-ownership on minority ownership of broadcast stations, and appreciates MMTC's willingness to address some concerns that were raised in recent comments in this proceeding. The NAA is confident that the study will demonstrate that the Commission's modest proposal to loosen cross-ownership rules would not harm minority ownership. Upon completion of the study, the Commission should vote immediately on the proposal and provide the regulatory relief that is necessary for new investments in local journalism.

Please contact the undersigned with any questions regarding this matter.

Respectfully submitted,

Kurt Wimmer
