Re: *Vonage's Petition for Limited Waiver*, CC Docket No. 99-200

Dear Ms. Dortch:

On February 21, 2013, the undersigned, along with Ed Mulligan, Craig Lennon, Michael Doherty, and Brendan Kasper of Vonage, and Kristine Devine of this firm, spoke by phone with Michael Steffen, Legal Advisor to the Chairman, and Lisa Gelb and Travis Litman of the Wireline Competition Bureau, to discuss Vonage's above-captioned request for direct access to numbering resources. I also spoke separately by phone with Mr. Steffen.

During those phone calls, Vonage reiterated the importance to Vonage of direct access to numbers. Vonage urged the Commission to move forward with Vonage's requested waiver and to do so in a manner that will foster the success of any efforts to deploy IP interconnection and capture the benefits of direct access to numbers.

If you have questions or require any additional information, please do not hesitate to contact me at (202) 730-1346.

Sincerely,

Brita D. Strandberg
