### **ETC Designation of Texas 10 LLC d/b/a Cellular One**

Pursuant to Section 214(e)(2) of the Communications Act of 1934, as amended (the "Act") and 47 C.F.R. §§ 54.201 – 54.203, on July 2, 2012, the Public Utility Commission of Texas (PUCT) granted a conditional eligible telecommunications carrier (ETC) designation to Texas 10, LLC d/b/a Cellular One (Texas 10 or the Company) for the purpose of establishing eligibility to participate in the Mobility Fund Phase 1 auction at the Federal Communications Commission (FCC) that was held on September 27, 2012. The service area for which the Company's conditional ETC was granted was broad because the FCC had not indicated at the time what specific census blocks would be included in the Mobility Phase

1 auction. This letter is intended to provide the list of specific census blocks for which Texas 10 was granted ETC designation.

On October 3, the FCC announced the winning bidders for Mobility Fund Phase 1 Auction (Auction 901). Texas 10, FRN 0017235110, was the successful bidder in 42 census blocks in Texas. The 42 census blocks for which Texas 10 is designated as an ETC are listed in Attachment A to this letter.

Attached to the letter that the PUCT previously sent the FCC and USAC on July 5, 2012, was an affidavit from Mr. Jonathan D. Foxman, President of Texas 10 that attested to the company's intent to use the federal support it receives only for the intended purpose, consistent with § 254(e) of the Federal Telecommunications Act, and for provision of the designated services required by 47 C.F.R. § 54.101. Texas 10 also submitted an affidavit during the annual certification process and was included in the PUCT's letter sent to the FCC and USAC on September 24, 2012.
