Re: *Vonage's Petition for Limited Waiver*, CC Docket No. 99-200, GN Docket No. 13-5

Dear Ms. Dortch:

On February 28, 2013, the undersigned spoke by phone with Lisa Gelb of the Wireline Competition Bureau to discuss Vonage's above-captioned request for direct access to numbering resources.

During that phone call I reiterated the importance to Vonage of direct access to numbers, and urged the Commission to move forward with Vonage's requested waiver. I explained that the Commission should grant the waiver in a manner that will foster the success of efforts to establish IP interconnection arrangements that allow the provision of higher quality and less costly service. I further explained that any waiver should provide sufficient scope and certainty that other providers will have incentives to negotiate agreements to interconnect and exchange traffic with Vonage on an IP basis.

If you have questions or require any additional information, please do not hesitate to contact me at (202) 730-1346.

Sincerely,
