AFFIDAVIT OF GARRIL PAGE

State of California

Marin County

I, Garril Page, attest that my statements are true to the best of my knowledge.

Comment round for ET Docket No. 03-137 and WT Docket No. 12-357.

1. My name is Garril Page . My address is 70 Fawn Drive, San Anselmo, CA 94960.
2. I am a dog trainer.
3. On being told of the FCC's 1996 standards, Specific Anthropomorphic Mannequin and heat-based guidelines, most Americans would think the speaker was joking. And, they would be correct: the FCC's current radiofrequency radiation safety standards are a dangerous, sad joke of outdated limits, thermometers, and jello molds.
4. Please, adopt relevant, biologically-based standards reflective of the entire population. Develop these using independent researchers whose credentials are examined for industry influence. Reject all work tainted by conflicts of interest!
