Dear Secretary Darts:

The amendment represents changes made as a result of the Committees "Window Thirty Two" application process. The requested changes have been reviewed and approved by adjacent Region 8 and 30 (copies of those approvals are enclosed).

Approval of the proposed allocations of 806 MHz spectrum, as detailed in the attached document (original and 5 copies), entitled "Amendment to the Regional Public Safety Plan, Docket 90-53, New England Area - Region 19", sub-titled "Window Thirty Two Channel Allocations" is formally requested by this letter.
