I, Dorothy Schnitzler, attest that my statements are true to the best of my knowledge.

Comment round for ET Docket No. 03-137 and WT Docket No. 12-357.

1. My name is Dorothy Schnitzler . My address is 320 Sherri Drive, Sparta, Wisconsin 54656.
2. I am self employed.
3. My interest and involvement that support my desire to change the FCC RF safety guidelines.

The many additions to products that use wireless EMFs to transmit data, are growing more and more every day world wide.

The Electro Magnetic frequencies

With so many of these , the health of the human and animals and birds and bees that are slowly disappearing , our world will be changed and not in a good way.

Please consider updating to allow the rules of these transmissions to be tested by forces that are independent of corporations for profit

We all are affected both young and of all ages.

Many studies from all countries point to the fact the FCC rules are out dated.

Thank you for this ability to be heard.,

Respectfully submitted by
