In the Matter of  
Puerto Rico Cable Acquisition Corp. d/b/a  
Choice Cable T.V.  
Request for Waiver of 47 C.F.R. 76.1204(a)(1)

**REPORT**

Pursuant to paragraph 6 of the Bureau's Memorandum Opinion and Order released in this proceeding on August 25, 2011, DA 11-1456, Puerto Rico Cable Acquisition Corp. d/b/a Choice Cable T.V. ("Choice") submits this CableCARD report for calendar year 2012.

During 2012, Choice received eight requests for CableCARDS, and provisioned all of them successfully. Customers requesting CableCARDS may choose between free self-installation and professional installation, for which Choice charges \$25. There was only one instance in 2012 in which a customer required an additional service visit subsequent to installation in order to resolve a CableCARD issue, and that issue was resolved with that one additional service call. At the end of 2012, Choice had 20 CableCARDS deployed in retail devices. Choice did not receive any complaints from customers in 2012 regarding its support for CableCARDS.

Choice will continue to support the use of CableCARDS for consumer retail devices in accordance with the Commission's rules and the conditions of its waiver issued in this proceeding.

Respectfully submitted,
