To Whom It May Concern:

Datatalk Telecom is a carrier that re-sold carrier services from Momentum Telecom through March 31, 2012. Effective April 1, 2012, DataTalk no longer acts as a reseller of interconnected VOIP services or any other telecommunication services.

Through March 31, 2012, we had a total of 7 small business customers using our carrier services. Each had a dedicated account representative. We did/do not provide consumer services. We believe we were in compliance with regulations through our end date of March 31, 2012.

Customer CPNI has been protected, and has not been released in any form. No cross marketing utilizing CPNI has been permitted.

Employees have been notified of safeguards required for protection of CPNI.

Access to CPNI consists only of written records. It is not accessed except in a limited form internally or to carriers for technical reasons to facilitate repairs. No online access is authorized.

No breaches have been reported. No complaints have been received.

To Whom It May Concern:

As stated in our CPNI Certification for 2012, as of April 1, 2012, Datataalk Telecom no longer acts as a reseller of interconnected VOIP services or any other telecommunication services.

Therefore, we believe this is the last CPNI Certification that we need to file. Please let us know if there is a form we need to file or some other notification we need to provide regarding this matter (contact our company secretary/treasurer, John Grimm, at 614-784-7103 or jgrimm@data-talk.com).

Thank you.

Sincerely,

C. Raymond Essex
President
