Re: Notice of *Ex Parte* Presentation, GN Docket No. 12-268

Dear Ms. Dortch:

On March 14, 2013, Jeanette Kennedy, Antti Karilainen and Petri Vasenkari of Nokia, and Prakash Moorut and the undersigned of Nokia Siemens Networks met with Commission staff in person and via teleconference.

Commission staff in attendance were Chris Helzer, A.J. Glusman, John Leibovitz, Madelaine Maior, Paul Malmud, Tom Peters, Blaise Scinto, and Jennifer Tomchin of the Wireless Telecommunications Bureau, and Edward Smith of the Incentive Auction Task Force.

The purpose of the meeting was for Antti Karilainen and Petri Vasenkari to brief the Commission on the results of Nokia studies regarding mobile antennas and duplex filters in the 600 MHz band. The companies believed that the Commission staff might find the results of their studies of interest as the proceeding moves forward. They delivered the two presentations included as attachments to this *ex parte* notice.

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, this notice is being filed in the above-captioned proceeding and copies sent via email to the Commission staff present. Please contact the undersigned with any questions in connection with this filing.

Respectfully submitted,

/s/ Derek Khlopin
