Dear Sirs:

Per your request, I have enclosed a letter from the Television station KZBZ, to the effect that they will not provide funding or assistance in any way for us to have closed captioning on our broadcast. There are no other avenues for help to us in this area of service. This should verify to you that the assistance sought, was denied. This should fulfill the first needed information you requested.

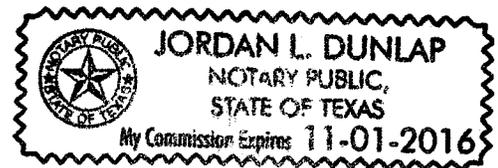

As to the second request: Concerning a written affidavit concerning the truthfulness etc. I will do that in this letter. After speaking to a lawyer and County judge, they recommended the following, and that a Notary Public's stamp is sufficient as legal and binding concerning the matter of perjury and an oath.

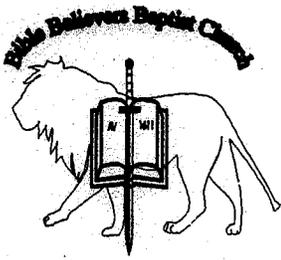

Whereas I, Glen A. Stocker, under penalty of perjury and under oath, do affirm that any and all statements on this and previous documents concerning the matter of Case: CGB-CC-1281, for closed captioning of the program, "The Bible Says" by KZBZ in Amarillo, TX, made by me or our church, are true and accurate.

Regarding the closed captioning for the television program "The Bible Says", aired on our station (KZBZ Amarillo, TX), we are unable to provide any assistance for them to pay for the closed captioning. We referred them to Amarillo Video Productions and Bible Believers Baptist Church, the producers of the program, are responsible for their own funding for closed captioning.
