CC Docket No. 02-6  
Request for Review

Dear Ms. Dortch,

I am asking for a Waiver Requests on the following FRNs:

Application No.: 812502  
FRN: 2206952  
And  
Application No. 812502  
FRN: 2207034

During the time the Form 486 was supposed to be filed for these two FRNs our School District was going through some changes in the technology department. The former Director had to leave unexpectedly because of a serious illness in her family. I was brought in and was unaware of the situation with our erate applications. Because of this our Form 486 was not filed in a timely manner. I am asking for a Request for Waiver for the sixty day time limit for an appeal. Then we are filing a Request for Review on the Form 486 - 941383. The 486 had an incorrect start date and we need to change it to the correct starting date as originally applied for in the 471 Application. The original start date is July 1, 2011 for both these FRNs.

With this waiver I would also like to request an extension on submitting the 472 Bear Form for the above mentioned FRNs.

Your consideration in this matter is greatly appreciated.

Sincerely,

Mark Carrara  
Technology Director
