Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2013 Form 471 deadline so that our District's Form 471 E-rate application will be considered as having been filed within the 'window.'

We have had an unusual amount of staff turnover in our business department, which resulted in some delays to process the necessary contracts and paperwork required for submitting our form 471.

Our District does not hire an E-rate consultant to prepare our application forms, but instead tries to save as much of our E-rate funding as possible by trying to navigate the process ourselves. Unfortunately, this year our District responsibilities precluded us from meeting this important deadline.

The two applications request a combined E-rate request of about \$17,016.48, which may not be a large amount of money to some institutions, but it is extremely important in our District.

Thank you for your consideration of our request.

Respectfully submitted,

Edward P. Eimiller
