

## Request for Waiver

Entity number: 16070949

471 Application number: 931945

FCC number: 0022541064

We are a new high school filing for e-rate for the first time and were confused about the deadlines listed for the filing process. We mistakenly thought that the deadline that was posted on the USAC website was for the Form 470. We were unable to submit the Form 471 because we had to wait the full 28 days to receive bids. We submitted the Form 471 at the earliest possible date once we recognized our mistake when filing the Form 470.

Please grant us a waiver for missing the deadline. We now understand the policy and will not make this mistake again. Thanks!
