Dear USAC Board Nominations,

RE: In the matter of: Nominations for Universal Services Administrative Company Board of Directors,
Dockets 97-21 and 96-45

I am submitting the name of Becky Sanders for the Board position representing rural health care providers that are eligible to receive supported services pursuant to §54-601. Becky receives my highest recommendation for this position. She is hard working and knowledgeable on both health care issues and telecom issues. Her knowledge and experience are a large reason why the Indiana Telehealth Network has been a huge success in rural Indiana bringing services to Hoosier who would otherwise likely go without. She is very helpful and cooperative and will make a great addition to the USCA Board of Directors. Please select Becky for this important position.

Respectfully,

John E. Koppin, MA, CAE
President
Indiana Telecommunications Association
