COMES NOW the undersigned JAMES EDWIN WHEDBEE, who respectfully offers these comments in the above-captioned proceedings.

1. Attached is the Petition for Rulemaking filed yesterday by the undersigned. The said Petition for Rulemaking is incorporated entirely herein by reference as if fully set out hereinbelow.

3. The undersigned's Petition for Rulemaking seeks liberalization of the Commission's equipment authorization rules to permit licensees, permittees, and others with instruments of authorization to transmit to use Part 15 devices in lieu of equipment certified under the licensed rule part, provided that the licensee operates the equipment in accordance with Part 15 and the terms of their license.
