Dear Ms. Dortch,

**This letter is being sent to you "Requesting a Waiver of a Deadline."**

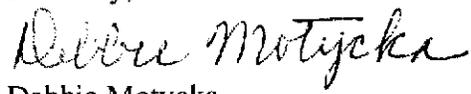

I attempted to submit my Form 470, #416210001131472, many times throughout the day, February 14, 2013, but with no success. I kept getting error messages anytime I attempted to submit. My pin would not work either.

On February 15, I attempted again, with many errors all day...but finally around 3:00 pm, I was able to enter one service request at a time...then log out...restart from the beginning and finally skipping ahead to enter another request. When I was able to complete the process of entering requests, I was not able to, once again, use my pin...so I submitted my signature via snail mail. The 28-day window for filing the 471 by March 14<sup>th</sup> would not be possible. I did call USAC to document: Case # 22-468-421.

Today, March 12, 2013, I called USAC again (Case # 22-479-763) asking what I needed to do in order to submit my 471 (#921591, entity #135388) being that I can't enter any Funding Requests until the day after the deadline (March 15, 2013). The support person told me to submit this waiver request to the FCC.

Thank you in advance for reading this correspondence. Please let me know if there is anything else I need to do for your consideration.

Sincerely,

Debbie Motycka
