Re: CPNI Certification of Canyon State Wireless, Inc. for 2012
- Late Filing

Dear Sir / Madam:

We represent the telecommunications interests of Canyon State Wireless, Inc. ("CSW") of Sierra Vista, Arizona. CSW requested the Higgs Law Group LLC ("HLG") prepare and file its CPNI Certification for 2012 well before the March 1, 2013 deadline. One of the Principals of HLG left the Firm a few months ago, and due to a miscommunication between the remaining Principal of HLG and the now departed attorney, each thought that the other was responsible for filing the CPNI Certification for CSW. Immediately upon learning of the miscommunication, HLG immediately contacted CSW and sought to effect a remedial filing of the CPNI Certification.

On behalf of CSW, we hereby respectfully, informally request waiver of the Commission's March 1 filing deadline for its 2012 CPNI Certification. If you have any questions or concerns regarding the instant request, please do not hesitate to contact undersigned counsel.

Very truly yours,

Delaney M. DiStefano
