Re: *Vonage's Petition for Limited Waiver*, CC Docket No. 99-200, GN Docket No. 13-5

Dear Ms. Dortch:

On March 28, 2013, Marc Lefar, Chief Executive Officer, and Brendan Kasper, Senior Regulatory Counsel, of Vonage, and Kristine Devine and the undersigned, of Wiltshire & Grannis LLP, met with Commissioner Mignon Clyburn, Dave Grimaldi, Chief of Staff to Commissioner Clyburn, and Brian Indovina, and Brittany Vendryes of Commissioner Clyburn's office, to discuss Vonage's above-captioned request for direct access to numbering resources.

During our meeting, Vonage reiterated the importance of direct access to numbers, and urged the Commission to move forward with Vonage's requested waiver. Vonage explained that the Commission should grant the waiver in a manner that will foster the success of any trial of direct access to numbering rights. Vonage also noted that the extensive record before the Commission demonstrates that direct access to numbers does not present routing, intercarrier compensation, or porting concerns, and explained that a trial will benefit the Commission and the public interest by supplementing the existing record with real-world data.

If you have questions or require any additional information, please do not hesitate to contact me at (202) 730-1346.

Sincerely,

Brita D. Strandberg
Counsel to Vonage Holdings Corp.
