471 # 933287 Docket #CC-02-6

Dear FCC,

I request a waiver to the filing deadline for our FCC Form 471 due to extenuating circumstances.

My form 470 was delayed when my electronic filing attempt failed after I thought it had successfully gone through. When I found out it had not gone through, it was past the 28-day window. I had intended to file my FCC Form 471 on the 28th day, but my father passed away and my family duties took me away from work.

Thank you for your consideration.

Sincerely,

Kevin Kleckner
Director
