Background

Stanacard is a privately-held company organized under the laws of the state of Delaware. Stanacard principally offers competitive prepaid interexchange services. Stanacard holds both international and domestic Section 214 authorizations.¹

Stanacard has a market share in the interstate, interexchange market of less than ten percent (10%) and is not dominant with respect to any service. The proposed transaction will not result in any change in the market share of Stanacard. Consequently, this Joint Application is entitled to streamlined treatment pursuant to Section 63.03(b)(2)(i) of the Commission's Rules.

Description of the Transaction

This transaction contemplates the transfer of control of Stanacard via the transfer of limited liability interests in the company from Ms. Koroleva to Mr. Choupak pursuant to a divorce settlement between the parties. As a result of this transfer, Ms. Koroleva's interest will be reduced from approximately 89% of the company to zero, and Mr. Choupak's interest in the company will increase from zero to approximately 89%. The remaining 11% of the company will continue to be held by its current owner, Eduard Romanov.

Qualification for Streamlined Processing

Stanacard, Ms. Koroleva and Mr. Choupak affirm that (a) the proposed transaction will result in Stanacard having a market share in the interstate, interexchange marketplace of less than 10%; (b) following the proposed transaction Stanacard will not provide any

(11) Certification by Transferee pursuant to 47 C.F.R. §§ 1.2001-1.2003 that no party to the Joint Application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 583

Mr. Choupak hereby certifies, pursuant to 47 C.F.R. §§ 1.2001-1.2003, that to the best of his knowledge, information, and belief, no party to this Joint Application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 583.

No Applicant has an affiliation with a dominant U.S. carrier. No Applicant seeks authority to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines. Authorization is sought for the transfer of control of Stanacard from Ms. Koroleva to Mr. Choupak.

Transfer of Domestic Section 214 Authorizations

Pursuant to Section 63.04(b) of the Commission's Rules, the Applicants supply the following information required pursuant to Sections 63.04(a)(6) through 63.04(a)(12) of the Commission's Rules:

(1) Description of the transaction

This transaction contemplates the transfer of control of Stanacard via the transfer of limited liability company interests from Ms. Koroleva to Mr. Choupak. Following the transaction, Mr. Choupak will own approximately 89 percent of the limited liability company interests in Stanacard.

(2) Description of the geographic areas in which the Transferor and Transferee (and their affiliates) offer domestic telecommunications services, and what services are provided in each area

Ms. Koroleva currently controls Stanacard, which provides service as a prepaid interexchange provider across the United States. Mr. Choupak is not currently a provider of telecommunications services and does not own or operate any providers of domestic telecommunications services.

(3) Statement as to how the Joint Application fits into one or more of the presumptive streamlined categories in Section 63.03 of the Commission's Rules or why it is otherwise appropriate for streamlined treatment:

Stanacard and Mr. Choupak affirm that (a) the proposed transaction will result in Stanacard and Mr. Choupak having a market share in the interstate, interexchange marketplace of less than ten (10) percent; (b) following the proposed transaction Stanacard will not provide competitive telephone exchange service and exchange access services; and (c) none of the applicants is dominant with respect to any service. Consequently, this transaction qualifies for streamlined processing under Section 63.03(b)(2)(i) of the Commission's Rules.

The proposed transaction will have no adverse effect on competition. Grant of streamlined treatment for this Application is consistent with Commission precedent.

(4) Identification of all other Commission applications related to the same transaction

This transaction will not result in the transfer of control of any other authorizations.

(5) Statement of whether the Applicants are requesting special consideration because either party to the transaction is facing imminent business failure

No Applicant is facing imminent business failure. Therefore, the Applicants are not requesting special consideration for this reason.

(6) Identification of any separately filed waiver requests being sought in conjunction with the transaction

No separately filed waiver requests are being sought in conjunction with the transaction.

(7) Statement showing how grant of the Joint Application will serve the public interest, convenience and necessity, including any additional information that may be necessary to show the effect of the proposed transaction on competition in domestic markets

The proposed transfer of Stanacard from Ms. Koroleva to Mr. Choupak will enable the continued provision of high-quality communications services to Stanacard's customers and will ensure continuity in the operations of the company, as Mr. Choupak previously was involved in the operations of Stanacard. As the proposed transaction involves the transfer of control of Stanacard to an individual who does not hold any telecommunications interests, competition will not be adversely affected by consummation of the proposed transaction.

Conclusion

For the foregoing reasons, the Applicants respectfully submit that grant of this Joint Application by the Commission would serve the public interest, convenience and necessity.

Respectfully submitted,

Michael Choupak
