

Annual 47 C.F.R. § 64.2009(e) CPNI Certification

EB Docket 06-36

Annual 64.2009(e) CPNI Certification for 2012.

Date filed: April 5, 2013

Name of company covered by this certification: Local Internet Service Company (LISCO)

Form 499 Filer ID: #820534

Name of signatory: David L. Magill

Title of signatory: VP Administration and Legal Affairs

I, David L. Magill, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See 47 C.F.R. § 64.2001 et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Companies must report on any information that they have with respect to the processes pretexters are using to attempt to access CPNI, and what steps companies are taking to protect CPNI. LISCO has no evidence that pretexters are attempting to access its CPNI. LISCO corporate data is behind a firewall and is also username/password protected.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

Signed David L. Magill [electronic signature]

Ensurance of Compliance Attachment
LISCO
February 25, 2008

The LISCO Board Executive Committee has adopted 47 CFR 64.2001 to 64.2011 as LISCO administrative policy. LISCO has no affiliates or subsidiaries and shares customer data with no one. Except in sharing data with another local exchange carrier or a VoIP provider when the customer has made a valid request to move his or her local exchange service to another provider, all requests for customer proprietary network information are directed to the VP of Administration and Legal Affairs who determines whether the request is valid and permits release of the information only upon confirmation by the customer.

The company never shares its customer information with other companies for any purpose.
