

Direct TV is refusing the use of my Chse debit card for my payment to Direct tv because I refuse to give them permission to use my debit card in case I would owe them a balance on my account. I feel intimidated that I can not pay my bill willout giving them permission to allow them to ise my card upon their discretion !!! And also I know that it is also out rageous that they are charging a \$15.00 charge to disconnect our service. At what point do we have any rights ?!!! Who controls these matters, outrageous that we are under their control.Do we have any say. Distraught !!! Ms. JonALida Aubry
