

As parents we can only do so much to keep curse words and nudity from our children. Tv has already gone too far in allowing many words we consider trash, and to even think it is ok to make more such trash ok for viewing is sickening.

Just because many people think it is ok to curse in public, and to expose more body parts doesn't mean everybody should be exposed to it.

Those of us apposed to this stuff should have rights just as much as those who aren't.

God forgive us for allowing filth to go on without saying anything against it. We must stand up for our beliefs!
