

YOU F***ing bunch of !!rons with your pencil headed jobs sponging up my tax dollars to do a simple job of keeping the airwaves clean and CAN'T EVEN DO YOUR JOB AND PUT SOME BITE TO YOUR BARK AND COLLECT THOSE FINES OR MAKE YOURSELVES USEFUL IN ANY WAY... WHAT THE F*** are you worth and why do you think you deserve a paycheck at all?? I'd add a few more F***'s but you get my point I'd hope, whether or not the words are there we do want them to be "bleeped" just as much as you don't really want people slamming you with them.
