Re: Pinnacle Telecommunications Group, LLC Revised Compliance Plan; WC
Docket Nos. 09-197, 11-42
Redacted for Public Inspection

Dear Ms. Dortch:

On June 22, 2012, Pinnacle Telecommunications Group, LLC (“Pinntel” or the “Company”) submitted its Compliance Plan outlining the measures it will take to implement the conditions imposed by the Commission in its *Lifeline Reform Order*.¹ Pinntel submitted revised versions of its Compliance Plan on November 2, 2012, December 3, 2012 and December 20, 2012.

Pinntel has further revised its Compliance Plan to: (a) define “Company personnel” to include agents (p. 5) and provide additional detail regarding the necessary documentation of eligibility for a demonstration of income-based eligibility (p. 7) (also reflected on Pinntel’s revised Lifeline application/certification forms provided in Exhibit B and the income eligibility worksheet provided as Exhibit C); (b) provide details regarding the Company’s customer service contact information and availability (p. 10); (c) provide details regarding Pinntel’s ownership in Section III and confidential Exhibit F; (d) make minor revisions to Pinntel’s Lifeline application/certification forms (Exhibit B); (e) note that Pinntel filed a

Request for Confidential Treatment

Dear Ms. Dortch:

Pinnacle Telecommunications Group, LLC (“Pinntel” or the “Company”), by its attorneys, hereby requests confidential treatment of the identified portions of Exhibit F (“Exhibit F”) to the enclosed revised Compliance Plan filing.¹

The identified portions of the enclosed Exhibit F contain proprietary and confidential information about Pinntel’s owners. Such competitively sensitive information is exempted from mandatory disclosure under “Exemption 4” of the Freedom of Information Act (“FOIA”),² and Section 0.457(d) of the Commission’s rules.³ Exemption 4 allows the withholding of commercial or financial information that is privileged or confidential.⁴ The confidentiality requirement is satisfied if substantial competitive injury would likely result from

¹ See 47 C.F.R. § 0.459(b)(1), (2).

² See 5 U.S.C. § 552(b)(4). Public disclosure is not required for “trade secrets, commercial or financial information obtained from a person and privileged and confidential.” *Id.*

disclosure.⁵ Accordingly, pursuant to Section 0.459 of the Commission's rules,⁶ Pinntel requests that the identified portions of Exhibit F to the enclosed Compliance Plan be withheld from public inspection.

The information for which Pinntel requests confidential treatment is proprietary and competitively sensitive information.⁷ The market for Lifeline services, including the wireless services to be provided by Pinntel, is highly competitive.⁸ The identified portions of Exhibit F reveal details about Pinntel's owners, the disclosure of which would cause great harm to the Company.⁹ Pinntel will derive independent economic value from the fact that significant, detailed proprietary information regarding the Company's owners is unknown to its competitors.¹⁰ Moreover, failure to treat Pinntel's ownership information as confidential would provide competitors with an unfair competitive advantage by being granted access to Pinntel's proprietary information.¹¹ The information contained in the identified portions of Exhibit F is not ordinarily made available to the public by Pinntel.¹² The information that is the subject of this confidential treatment request is not part of the public record in any jurisdiction. Pinntel requests that the identified portions of Exhibit F to the enclosed Compliance Plan not be made routinely available for public inspection at any time.¹³

More specifically, the information that is the subject of this request for confidential treatment is entitled to protection for the following reasons¹⁴:

The identified portions of enclosed Exhibit F to Pinntel's Compliance Plan contain confidential details about Pinntel's owners. This information is not publicly available and, if made publicly available, would disclose Pinntel's confidential ownership information to competitors, thereby providing a competitive advantage to other entities in the market. Pinntel considers this information proprietary and confidential and requests that it be afforded confidential treatment.

---	---

PINNACLE TELECOMMUNICATIONS GROUP, LLC COMPLIANCE PLAN

Pinnacle Telecommunications Group, LLC (“Pinntel” or the “Company”),¹ through its undersigned counsel, hereby respectfully submits and requests expeditious treatment of its Compliance Plan outlining the measures it will take to implement the conditions imposed by the Commission in its *Lifeline Reform Order*.²

The Company commends the Commission’s commitment to a nationwide communications system that promotes the safety and welfare of all Americans, including Lifeline customers. The Company will comply with 911 requirements as described below and it

¹ The Company hereby also reports its corporate and trade names, identifiers, and its holding company, operating companies and affiliates in an organizational chart in Exhibit A. In addition, the Company uses Yourlife as a brand for its Lifeline products.

² See *Lifeline and Link Up Reform and Modernization, Lifeline and Link Up, Federal-State Joint Board on Universal Service, Advancing Broadband Availability Through Digital Literacy Training*, WC Docket No. 11-42, WC Docket No. 03-109, CC Docket No. 96-45, WC Docket No. 12-23, Report And Order and Further Notice Of Proposed Rulemaking, FCC 12-11 (Feb. 6, 2012) (“*Lifeline Reform Order*”). The Company herein submits the information required by the Compliance Plan Public Notice. See *Wireline Competition Bureau Provides Guidance for the Submission of Compliance Plans Pursuant to the Lifeline Reform Order*, WC Docket Nos. 09-197, 11-42, Public Notice, DA 12-314 (rel. Feb. 29, 2012).

is submitting this Compliance Plan in order to qualify for blanket forbearance from the facilities requirement of section 214(e)(1)(A) of the Communications Act and participate as an eligible telecommunications carrier (“ETC”) in the Lifeline program.³

The Company will comply fully with all conditions set forth in the *Lifeline Reform Order*, as well as with the Commission’s Lifeline rules and policies more generally.⁴ This Compliance Plan describes the specific measures that the Company intends to implement to achieve these objectives. Specifically, this Compliance Plan: (1) describes the specific measures that the Company will take to implement the obligations contained in the *Lifeline Reform Order*, including the procedures the Company will follow in enrolling a subscriber in Lifeline and submitting for reimbursement for that subscriber from the Low-Income Fund, materials related to initial and ongoing certifications and sample marketing materials; and (2) provides a detailed description of how the Company will offer Lifeline services, the geographic areas in which it will offer services, and a detailed description of the Company’s Lifeline service plan offerings.

³ See *Lifeline Reform Order*, ¶ 368. Although Pinntel qualifies for and seeks to avail itself of the Commission’s grant of forbearance from the facilities requirement of section 214(e)(1)(A) for purposes of the federal Lifeline program, the Company reserves the right to demonstrate to a state public utilities commission that it provides service using its own facilities in a state for purposes of state universal service funding under state program rules and requirements. The Company will follow the requirements of the Commission’s Lifeline rules and this Compliance Plan in all states in which it provides Lifeline service and receives reimbursements from the federal Low-Income Fund, including in any state where the public utilities commission determines that Pinntel provides service using its own facilities for purposes of a state universal service program.

⁴ In addition, this Compliance Plan is consistent with the compliance plan filed by Global Connection Inc. of America. See Global Connection of America Inc. Compliance Plan, WC Docket Nos. 09-197, 11-42 (Apr. 30, 2012). The Global Connection compliance plan was approved on May 25, 2012. See Public Notice, DA 12-828.

ACCESS TO 911 AND E911 SERVICES⁵

Pursuant to the *Lifeline Reform Order*, forbearance is conditioned upon the Company: (1) providing its Lifeline subscribers with 911 and E911 access, regardless of activation status and availability of minutes; and (2) providing its Lifeline subscribers with E911-compliant handsets and replacing, at no additional charge to the subscriber, noncompliant handsets of Lifeline-eligible subscribers who obtain Lifeline-supported services.⁶ The Company will comply with these conditions on the first day that it begins providing service.

The Company will provide its Lifeline customers with access to 911 and E911 services immediately upon activation of service. The Commission and consumers are hereby assured that all Company customers will have available access to emergency calling services at the time that Lifeline service is initiated, and that such 911 and E911 access will be available from Company handsets, even if the account associated with the handset has no minutes remaining.

The Company will use AT&T Wireless its underlying wireless network providers/carrier through a wholesale agreement with Red Pocket, Inc. (“Red Pocket”). Red Pocket is a minority owner of Pinntel and will utilize its wholesale agreement with AT&T to provide minutes to Pinntel to serve its non-Lifeline and Lifeline customers. AT&T Wireless will route 911 calls from the Company’s customers in the same manner as 911 calls from its own retail customers. To the extent that these underlying wireless network providers/carrier is certified in a given PSAP territory, this 911 capability will function the same for the Company. The Company will also enable 911 emergency calling services for all properly activated handsets regardless of whether the account associated with the handset is active or suspended. Finally, the Company

⁵ See Compliance Plan Public Notice at 3.

⁶ See *Lifeline Reform Order*, ¶ 373.

will transmit all 911 calls initiated from any of its handsets even if the account associated with the handset has no remaining minutes.

E911-Compliant Handsets. Pinntel will ensure that all handsets used in connection with the Lifeline service offering are E911-compliant. All of the Company's phones will be E911-capable handsets. The Company will use phones from various suppliers that have been through a stringent certification process to ensure that the handset models used meet all 911 and E911 requirements. As a result, any new customer that qualifies for and enrolls in the Lifeline program is assured of receiving a 911/E911-compliant handset as well, free of charge.

COMPLIANCE PLAN

I. PROCEDURES TO ENROLL A SUBSCRIBER IN LIFELINE⁷

A. Policy

Pinntel will comply with the uniform eligibility criteria established in new section 54.409 of the Commission's rules, as well as any additional certification and verification requirements for Lifeline eligibility in states where the Company is designated as an ETC.

Therefore, all subscribers will be required to demonstrate eligibility based at least on: (1) household income at or below 135% of the Federal Poverty Guidelines for a household of that size; or (2) the household's participation in one of the federal assistance programs listed in new sections 54.409(a)(2) or 54.409(a)(3) of the Commission's rules. In addition, through the certification requirements described below, the Company will confirm that the subscriber is not already receiving a Lifeline service and no one else in the subscriber's household is subscribed to a Lifeline service.

⁷ See Compliance Plan Public Notice at 3.

B. Eligibility Determination

Pinntel will enroll customers through several different marketing channels: 1) in-person, through company owned or affiliated retail outlets; 2) in-person, through field representatives; 3) over the telephone; and 4) through online sales over the Internet. The majority of enrollments will likely be completed in-person at the Company's affiliated retail locations or at events. Pinntel will have access to over thousands of retail locations affiliated with Red Pocket in almost every state. Regardless of how a customer applies, each customer will provide the same information via Pinntel's standard customer application/certification form discussed further below.

Pinntel's electronic process will use laptops and tablets to complete enrollment in real-time. The Company will be using the CGM, LLC enrollment application. The electronic order process will provide the Company the opportunity to perform several database checks in real-time during the enrollment process as discussed below. Pinntel employees or representatives/agents ("Company personnel") must log in to the software so that the customer enrollment is automatically tagged to a particular representative. The Company personnel must sign his or her agreement not to take part in any fraud with respect to Lifeline enrollment. The representative then advances through the electronic windows with the prospective customer to provide disclosures, collect information and elicit certifications as detailed below, which must be read and checked by the applicant. The customer signs the electronic application and the information collected is sent for several database checks, including an address verification, a geographic footprint match to the ETC's authorization to provide Lifeline service in the area, an internal duplicate check and a state database eligibility check (if available). In addition, Pinntel will check each applicant against a pooled duplicates database established by CGM, LLC.

The electronic enrollment process includes the ability to scan customers' government-issued identification, proof of residence (if necessary because the address cannot be verified) and proof of eligibility. As discussed further below, the proof will only be retained for a short period of time for verification and then deleted. All transfers of information and scans collected electronically are transmitted in encrypted form. When the checks described herein are completed in real-time, approved customers are enrolled and receive a handset to be activated as discussed below.

For enrollments conducted over the phone and online, customers will be required to submit copies of their government-issued identification and proof of eligibility to the Company by regular mail, fax or electronic mail (scanned version) for approval before the applicant will be enrolled.

As discussed in further detail in Section I.F. below, all Company personnel that conduct such in-person enrollments are trained regarding the eligibility and certification requirements in the *Lifeline Reform Order* and this Compliance Plan, including the one-per-household requirement, and told to inform potential customers of those requirements. New Company personnel undergo an initial mandatory training session where they are given training materials to review and understand.

If Pinntel cannot determine a prospective subscriber's eligibility for Lifeline by accessing income databases or program eligibility databases, Company personnel will review documentation establishing eligibility pursuant to the Lifeline rules.⁸ All personnel who interact with current or prospective customers will be trained to assist Lifeline applicants in determining whether they are eligible to participate based on the federal and state-specific income-based

⁸ See *Lifeline Reform Order*, ¶ 100; section 54.410(b)(1)(i)(B), 54.410(c)(1)(i)(B).

and/or program-based criteria. These personnel will be trained to answer questions about Lifeline eligibility, and will review required documentation to determine whether it satisfies the *Lifeline Reform Order* and state-specific eligibility requirements using state-specific checklists.

Proof of Eligibility. Company personnel will be trained on acceptable documentation required to establish income-based and program-based eligibility.⁹ Acceptable documentation of program eligibility includes: (1) the current or prior year's statement of benefits from a qualifying state, federal or Tribal program; (2) a notice letter of participation in a qualifying state, federal or Tribal program; (3) program participation documents (*e.g.*, the consumer's Supplemental Nutrition Assistance Program (SNAP) electronic benefit transfer card or Medicaid participation card (or copy thereof)); or (4) another official document evidencing the consumer's participation in a qualifying state, federal or Tribal program.¹⁰

Acceptable documentation of income eligibility includes the prior year's state, federal, or Tribal tax return; current income statement from an employer or paycheck stub; a Social Security statement of benefits; a Veterans Administration statement of benefits; a retirement/pension statement of benefits; an Unemployment/Workmen's Compensation statement of benefits; federal or Tribal notice letter of participation in General Assistance; or a divorce decree, child support award, or other official document containing income information.¹¹ If the prospective subscriber presents the Company with documentation of income that does not cover a full year, the prospective subscriber must present the same type of documentation covering three consecutive months within the previous twelve months.

⁹ See *Lifeline Reform Order*, ¶ 101. See also USAC Guidance available at <http://www.usac.org/li/telecom-carriers/step06/default.aspx>.

¹⁰ *Id.* and section 54.410(c)(1)(i)(B).

¹¹ See *Lifeline Reform Order*, ¶101; section 54.410.(b)(1)(i)(B).

Company personnel will examine this documentation for each Lifeline applicant, and will record the type of documentation used to satisfy the income- or program-based criteria by checking the appropriate box on the application form.¹² In addition, Company personnel will fill in, where available, the last four digits of an account or other identifying number on the proof document, the date of the proof document and the expiration of the proof document. The Company will not retain a copy of this documentation, except where state rules require such retention.¹³ For customers enrolled via the Internet, Toll-Free Facsimile, USPS Mail, or Voice/IVR, the customer will be required to fax or e-mail proof of eligibility documentation to the Company. Proof will be reviewed by Company personnel prior to service activation and then deleted. Where the Company personnel conclude that proffered documentation is insufficient to establish such eligibility, the Company will deny the associated application and inform the applicant of the reason for such rejection. In the event that Company personnel cannot ascertain whether documentation of a specific type is sufficient to establish an applicant's eligibility, the matter will be escalated to supervisory personnel at the Company's corporate headquarters.¹⁴ In addition, a Pinntel employee will be responsible for overseeing and finalizing every Lifeline enrollment prior to including that customer on an FCC Form 497 for reimbursement.

Further, Pinntel will not enroll customers at retail locations where Pinntel does not have an agency agreement with the retailer. Pinntel will require an agent retailer to have any employees involved in the enrollment process go through the standard Pinntel training process, same as it would for any other agent. By establishing agency relationships with all of its

Company personnel, including future retail outlets, Pinntel meets the “deal directly” requirement adopted in the TracFone Forbearance Order.¹⁵

The Commission determined in the *Lifeline Reform Order* that ETCs may permit agents or representatives to review documentation of consumer program eligibility for Lifeline because “the Commission has consistently found that ‘[l]icensees and other Commission regulatees are responsible for the acts and omissions of their employees and independent contractors.’”¹⁶ Because Pinntel is responsible for the actions of all of its employees and agents, including those enrolling customers in any Pinntel owned or affiliated retail locations, and a Pinntel employee will be responsible for overseeing and finalizing every Lifeline enrollment prior to including that customer on an FCC Form 497 for reimbursement, the Company will always “deal directly” with its customers to certify and verify the customer’s Lifeline eligibility.

De-Enrollment for Ineligibility. If Pinntel has a reasonable basis to believe that one of its Lifeline subscribers no longer meets the eligibility criteria, the Company will notify the subscriber of impending termination in writing and in compliance with any state dispute resolution procedures applicable to Lifeline termination, and give the subscriber 30 days to demonstrate continued eligibility.¹⁷ A demonstration of eligibility must comply with the annual verification procedures below and found in new rule section 54.410(f), including the submission of a certification form. If a customer contacts the Company and states that he or she is not eligible for Lifeline or wishes to de-enroll for any reason, the Company will de-enroll the customer within five business days. Customers can make this request by calling the Company's

customer service number and will not be required to submit any documents. Pinntel customers can call customer service by dialing 611 from their Pinntel handset and no minutes will be used or decremented for the call. Customers can also call toll-free (888) 993-3888 from any phone to reach customer service. Live customer service operators can be reached between 6:00am and 11pm Monday through Friday and between 6:00am and 10:00pm on Saturday and Sunday (all times Pacific Standard Time). The average wait time for Red Pocket's non-Lifeline customer service calls is currently 1.9 minutes.

C. Subscriber Certifications for Enrollment

The Company will implement certification policies and procedures that enable consumers to demonstrate their eligibility for Lifeline assistance to Company personnel as detailed in the *Lifeline Reform Order*, together with any additional state certification requirements.¹⁸ The Company shares the Commission's concern about abuse of the Lifeline program and is thus committed to the safeguards stated herein, with the belief that these procedures will prevent the Company's customers from engaging in such abuse of the program, inadvertently or intentionally. Every applicant will be required to complete an application/certification form containing disclosures, and collecting certain information and certifications as discussed below.¹⁹ Applicants that seek to enroll based on income eligibility will be referred to a worksheet showing the Federal Poverty Guidelines by household size.²⁰ Applicants that do not complete the form in person will be required to return the signed application/certification to the Company by mail, facsimile, electronic mail or other electronic transmission. In addition, Company personnel will

verbally explain the certifications to consumers when they are enrolling in person or over the phone.²¹

Disclosures. The Company's application and certification forms will include the following disclosures: (1) Lifeline is a federal benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program; (2) only one Lifeline service is available per household; (3) a household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses; (4) a household is not permitted to receive Lifeline benefits from multiple providers; (5) violation of the one-per-household limitation constitutes a violation of the Commission's rules and will result in the applicant's de-enrollment from the program; and (6) Lifeline is a non-transferable benefit and the applicant may not transfer his or her benefit to any other person.²²

Applications and certification forms will also state that: (1) the service is a Lifeline service, (2) Lifeline is a government assistance program, and (3) only eligible consumers may enroll in the program.²³

In addition, the Company will notify the applicant that the prepaid service must be personally activated by the subscriber and the service will be deactivated and the subscriber de-enrolled if the subscriber does not use the service for 60 days.²⁴

Information Collection. The Company will also collect the following information from the applicant in the application/certification form: (1) the applicant's full name; (2) the

applicant's full residential address (P.O. Box is not sufficient²⁵); (3) whether the applicant's residential address is permanent or temporary; (4) the applicant's billing address, if different from the applicant's residential address; (5) the applicant's date of birth; (6) the last four digits of the applicant's Social Security number (or the applicant's Tribal identification number, if the subscriber is a member of a Tribal nation and does not have a Social Security number); (7) if the applicant is seeking to qualify for Lifeline under the program-based criteria, the name of the qualifying assistance program from which the applicant, his or her dependents, or his or her household receives benefits; and (8) if the applicant is seeking to qualify for Lifeline under the income-based criterion, the number of individuals in his or her household.²⁶

Applicant Certification. Consistent with new rule section 54.410(d)(3), the Company will require the applicant to certify, under penalty of perjury, in writing or by electronic signature or interactive voice response recording,²⁷ the following: (1) the applicant meets the income-based or program-based eligibility criteria for receiving Lifeline; (2) the applicant will notify the Company within 30 days if for any reason he or she no longer satisfies the criteria for receiving Lifeline including, as relevant, if the applicant no longer meets the income-based or program-based criteria for receiving Lifeline support, the applicant is receiving more than one Lifeline benefit, or another member of the applicant's household is receiving a Lifeline benefit; (3) if the applicant is seeking to qualify for Lifeline as an eligible resident of Tribal lands, he or she lives on Tribal lands; (4) if the applicant moves to a new address, he or she will provide that new address to the Company within 30 days; (5) if the applicant provided a temporary residential address to the Company, the applicant will be required to verify his or her temporary residential

address every 90 days; (6) the applicant's household will receive only one Lifeline service and, to the best of the applicant's knowledge, the applicant's household is not already receiving a Lifeline service; (7) the information contained in the applicant's certification form is true and correct to the best of the applicant's knowledge; (8) the applicant acknowledges that providing false or fraudulent information to receive Lifeline benefits is punishable by law; and (9) the applicant acknowledges that the applicant may be required to re-certify his or her continued eligibility for Lifeline at any time, and the applicant's failure to re-certify as to the applicant's continued eligibility will result in de-enrollment and the termination of the applicant's Lifeline benefits pursuant to the de-enrollment policy included below and in the Commission's rules.

In addition, the applicant will be required to authorize the Company to access any records required to verify the applicant's statements on the application/certification form and to confirm the applicant's eligibility for the Company Lifeline credit. The applicant must also authorize the Company to release any records required for the administration of the Company Lifeline credit program, including to USAC to be used in a Lifeline program database.²⁸

D. Annual Verification Procedures

Pinntel will annually re-certify all subscribers by querying the appropriate eligibility databases or obtaining a signed certification from each subscriber consistent with the certification requirements above and new section 54.410(d) of the Commission's rules. This certification will include a confirmation that the applicant's household will receive only one Lifeline service and, to the best of the subscriber's knowledge, the subscriber's household is

²⁸ See Section 54.404(b)(9). The application/certification form will also describe the information that will be transmitted, that the information is being transmitted to USAC to ensure the proper administration of the Lifeline program and that failure to provide consent will result in the applicant being denied the Lifeline service. See *id.*

receiving no more than one Lifeline service.²⁹ Further, the verification materials will inform the subscriber that he or she is being contacted to re-certify his or her continuing eligibility for Lifeline and if the subscriber fails to respond, he or she will be de-enrolled in the program.³⁰

Verification De-Enrollment. Pinntel will de-enroll subscribers that do not respond to the annual verification or fail to provide the required certification.³¹ The Company will send a single written notice explaining that failure to respond to the re-certification request within 30 days will result in the subscriber's de-enrollment from the Lifeline program. If the subscriber does not respond within the 30 days, the Company will de-enroll the subscriber within five business days.

E. Activation and Non-Usage

Pinntel will not consider a prepaid subscriber activated, and will not seek reimbursement for Lifeline for that subscriber, until the subscriber activates the Company's prepaid service by completing an outbound call. An outbound call must be made in order for the service to be activated and for Pinntel to seek Lifeline reimbursement for that customer. For phones sold in-person, the customer must complete an outbound call in front of the representative upon taking possession of the phone in order to complete the enrollment process. In the event phones are mailed to the customer's address, the customer must dial an access number, which will connect them to a customer service representative. The customer then has to provide the customer service representative with identification information and confirm Lifeline service was ordered.

Further, after service activation, the Company will provide a de-enrollment notice to subscribers that have not used their service for 60 days. After 60 days of non-use, the Company

²⁹ See *Lifeline Reform Order*, ¶ 120.

³⁰ See *id.*, ¶ 145.

³¹ See *id.*, ¶ 142; section 54.54.405(e)(4).

will provide notice to the subscriber that failure to use the Lifeline service within a 30-day notice period will result in de-enrollment.³² Subscribers can “use” the service by: (1) completing an outbound call; (2) purchasing minutes from the Company to add to the subscriber’s plan; (3) answering an incoming call from a party other than the Company; or (4) responding to a direct contact from the Company and confirming that the subscriber wants to continue receiving the service.³³ If the subscriber does not respond to the notice, the subscriber will be de-enrolled and the Company will not request further Lifeline reimbursement for the subscriber. The Company will report annually to the Commission the number of subscribers de-enrolled for non-usage by month.³⁴

In addition to the above, Pinntel's usage team identifies accounts that have not been used for 30 days and sends a text message to such customers asking the customers to respond to the text message or call Pinntel's customer service number within 30 days to keep their account active. After 45 days of non-usage, Pinntel's internal outreach team attempts to contact the customer to inquire about the customer's intentions to retain the service.

F. Additional Measures to Prevent Waste, Fraud and Abuse

To supplement its verification and certification procedures, and to better ensure that customers understand the Lifeline service restrictions with respect to duplicates, Pinntel will implement measures and procedures to prevent duplicate Lifeline benefits being awarded to the same household. These measures entail additional emphasis in written disclosures as well as live due diligence.

³² See *Lifeline Reform Order*, ¶ 257; section 54.405(e)(3).

³³ See *Lifeline Reform Order*, ¶ 261; section 54.407(c)(2).

³⁴ See *Lifeline Reform Order*, ¶ 257; section 54.405(e)(3).

In addition to checking the database when it becomes available, Company personnel will emphasize the “one Lifeline phone per household” restriction in their direct sales contacts with potential customers. Training materials will include training videos and a discussion of the limitation to one Lifeline phone per household, including the need to ensure that the customer is informed of this restriction. All Company personnel interacting with existing and potential Lifeline customers will undergo training regarding the eligibility and certification requirements in the *Lifeline Reform Order* and this Compliance Plan. Agents must sign and return to Pinntel the Acknowledgement of Receipt of the training manual that they receive as part of this training.

Further, all agents must provide proof of employment (e.g., driver’s license or copy of W-9 form) for all employees that will be enrolling Lifeline customers for Pinntel. All agents must read, understand and follow Pinntel’s Code of Conduct. Each agent must have a signed copy of the Code of Conduct on file with Pinntel in order to enroll customers for the Company. Finally, all dealers and agents are given a toll-free hotline to a live dealer representative and an email address that can be used for any issues or questions regarding Lifeline eligibility or prepaid services.

National Lifeline Accountability Database. When the National Lifeline Accountability Database (“National Database”) becomes available, Pinntel will comply with the requirements of new rule section 54.404. The Company will query the National Database to determine whether a prospective subscriber is currently receiving a Lifeline service from another ETC and whether anyone else living at the prospective subscriber’s residential address is currently receiving Lifeline service.³⁵

³⁵ See *Lifeline Reform Order*, ¶ 203. Company will also transmit to the National Database the information required for each new and existing Lifeline subscriber. See *Lifeline Reform Order*, ¶¶ 189-195; section 54.404(b)(6). Further, Company will update each

One-Per-Household. The Company will implement the requirements of the *Lifeline Reform Order* to ensure that it provides only one Lifeline benefit per household³⁶ through the use of its application and certification forms discussed above, database checks and its marketing materials discussed below. Upon receiving an application for the Company’s Lifeline service, the Company will search its own internal records to ensure that it does not already provide Lifeline-supported service to someone at the same residential address.³⁷ If so, and the applicant lives at an address with multiple households, the Company will require the applicant to complete and submit a written USAC document containing the following: (1) an explanation of the Commission’s one-per-household rule; (2) a check box that an applicant can mark to indicate that he or she lives at an address occupied by multiple households; (3) a space for the applicant to certify that he or she shares an address with other adults who do not contribute income to the applicant’s household and share in the household’s expenses or benefit from the applicant’s income, pursuant to the Commission’s definition; and (4) the penalty for a consumer’s failure to make the required one-per-household certification (*i.e.*, de-enrollment).³⁸ Further, if a subscriber provides a temporary address on his or her application/certification form collected as described

subscriber’s information in the National Database within ten business days of any change, except for de-enrollment, which will be transmitted within one business day. *See* section 54.404(b)(8),(10).

³⁶ A “household” is any individual or group of individuals who are living together at the same address as one economic unit. A household may include related and unrelated persons. An “economic unit” consists of all adult individuals contributing to and sharing in the income and expenses of a household. An adult is any person eighteen years or older. If an adult has no or minimal income, and lives with someone who provides financial support to him/her, both people shall be considered part of the same household. Children under the age of eighteen living with their parents or guardians are considered to be part of the same household as their parents or guardians. *See Lifeline Reform Order*, ¶ 74; section 54.400(h).

³⁷ *See Lifeline Reform Order*, ¶ 78.

³⁸ *Id.* The USAC worksheet is available at <http://www.usac.org/li/tools/news/default.aspx#582>.

above, the Company will verify with the subscriber every 90 days that the subscriber continues to rely on that address.³⁹

In addition, Company personnel will inform each Lifeline applicant that he or she may be receiving Lifeline support under another name, and facilitate the applicant's understanding of what constitutes "Lifeline-supported services," and ability to determine whether he or she is already benefiting from Lifeline support, by informing the consumer that all Lifeline services may not be currently marketed under the name Lifeline. Pinntel will also ask each customer whether they are receiving Lifeline service from one of the other major Lifeline providers in the state (*e.g.*, SafeLink, Assurance). Finally, at the time of enrollment, Pinntel will check each applicant against a pooled duplicates database established by CGM, LLC.

Marketing Materials. Within the deadline provided in the *Lifeline Reform Order*, the Company will include the following information regarding its Lifeline service on all marketing materials describing the service: (1) it is a Lifeline service, (2) Lifeline is a government assistance program, (3) the service is non-transferable, (4) only eligible consumers may enroll in the program, (5) the program is limited to one discount per household; (6) that documentation is necessary for enrollment; and (7) Pinntel's name (the ETC).⁴⁰ These statements will be included in all print, audio video and web materials (including social networking media) used to describe or enroll customers in the Company's Lifeline service offering, as well as the Company's application forms and certification forms.⁴¹ This specifically includes the Company's website (www.pinntel.com) and outdoor signage.⁴² A sample of the Company's marketing materials is

included as Exhibit D. In addition, the Company's application/certification form will state that consumers who willfully make a false statement in order to obtain the Lifeline benefit can be punished by fine or imprisonment or can be barred from the program.

G. Company Reimbursements From the Fund

To ensure that Pinntel does not seek reimbursement from the Fund without a subscriber's consent, the Company will certify, as part of each reimbursement request, that it is in compliance with all of the Commission's Lifeline rules and, to the extent required, has obtained valid certification and verification forms from each of the subscribers for whom it is seeking reimbursement.⁴³ Further, the Company will submit its FCC Forms 497 to the eighth day of each month in order to be reimbursed the same month.⁴⁴

In addition, the Company will keep accurate records as directed by USAC⁴⁵ and as required by new section 54.417 of the Commission's rules. For example, Pinntel will keep the following records for each subscriber's individual Lifeline account, among other records, if applicable and as permitted: 1) date that Pinntel queried the duplicates database; 2) date and information that Pinntel transmitted to the duplicates database; 3) date of transmission of updated customer information to database; 4) date and database upon which the ETC determined income-based eligibility where available; 5) date and documentation/data source used to determine income-based eligibility if no database was available to determine subscriber eligibility;⁴⁶ 6) date, database, and program on which ETC determined subscriber eligibility; 7) date and records detailing the documentation a subscriber provided to demonstrate Lifeline eligibility; 8) state

Lifeline administrator documentation of customer eligibility, and subscriber's certification of eligibility; 9) date of customer service activation; 10) application/certification and annual re-certification forms for each subscriber associated with a date and time of signature; and 11) date of transmission of customer de-enrollment to database.

H. Annual Company Certifications

Pinntel will submit an annual certification to USAC, signed by a Company officer under penalty of perjury, that the Company: (1) has policies and procedures in place to review consumers' documentation of income- and program-based eligibility and ensure that its Lifeline subscribers are eligible to receive Lifeline services;⁴⁷ (2) is in compliance with all federal Lifeline certification procedures;⁴⁸ and (3) has obtained a valid certification form for each subscriber for whom the carrier seeks Lifeline reimbursement.⁴⁹

In addition, the Company will provide the results of its annual re-certifications/verifications on an annual basis to the Commission, USAC, the applicable state commission and the relevant Tribal governments (for subscribers residing on Tribal lands).⁵⁰ Further, as discussed above, Pinntel will report annually to the Commission the number of subscribers de-enrolled for non-usage by month.⁵¹

The Company will also annually report to the Commission, USAC, and relevant state commissions and the relevant authority in a U.S. territory or Tribal government as appropriate,⁵²

the company name, names of the company’s holding company, operating companies and affiliates, and any branding (such as a “dba” or brand designation) as well as relevant universal service identifiers for each entity by Study Area Code.⁵³ The Company will report annually information regarding the terms and conditions of its Lifeline plans for voice telephony service offered specifically for low-income consumers during the previous year, including the number of minutes provided and whether there are additional charges to the consumer for service, including minutes of use and/or toll calls.⁵⁴ Finally, the Company will annually provide detailed information regarding service outages in the previous year, the number of complaints received and certification of compliance with applicable service quality standards and consumer protection rules, as well as a certification that the Company is able to function in emergency situations.⁵⁵

I. Cooperation with State and Federal Regulators

Pinntel will cooperate with federal and state regulators to prevent waste, fraud and abuse.

More specifically, the Company will:

- Make available, upon request, state-specific subscriber data, including the names and addresses of Lifeline subscribers, to USAC and to each state public utilities commission where the Company operates for the purpose of determining whether an existing Lifeline subscriber receives Lifeline service from another carrier;⁵⁶
- Assist the Commission, USAC, state commissions, and other ETCs in resolving instances of duplicative enrollment by Lifeline subscribers, including by providing to USAC and/or any state commission, upon request, the necessary information to detect and resolve duplicative Lifeline claims;

⁵³ See *Lifeline Reform Order*, ¶¶ 296, 390; section 54.422(a).

⁵⁴ See *Lifeline Reform Order*, ¶ 390; section 54.422(b)(5).

⁵⁵ See *Lifeline Reform Order*, ¶ 389; section 54.422(b)(1)-(4).

⁵⁶ The Company anticipates that the need to provide such information will sunset following the implementation of the national duplicates database.

- Promptly investigate any notification that it receives from the Commission, USAC, or a state commission to the effect that one of its customers already receives Lifeline services from another carrier; and
- Immediately de-enroll any subscriber whom the Company has a reasonable basis to believe⁵⁷ is receiving Lifeline-supported service from another ETC or is no longer eligible – whether or not such information is provided by the Commission, USAC, or a state commission.

II. Description of Lifeline Service Offerings⁵⁸

The Company will offer its Lifeline service in the states where it is designated as an ETC⁵⁹ and throughout the coverage area of the AT&T Wireless footprint. Pinntel purchases wireless minutes from Red Pocket, which purchases wholesale minutes from AT&T Wireless. Pinntel's Lifeline offering will provide all non-Tribal customers with 250 anytime prepaid minutes per month at no charge, with text messaging at a rate of 1 text per voice minute. In addition, Pinntel plans to offer Lifeline-eligible residents of federally-recognized Tribal lands unlimited voice minutes for \$5.75 with no text messaging or 1,000 voice minutes for \$1.00 with no text messaging.

Lifeline customers can purchase additional bundles of minutes, referred to in Pinntel's general terms and conditions as Replenishment plans. These Replenishment plans, or "top-up" minutes, will be available for purchase at Pinntel's website and at its retail locations, through Red Pocket. Where text messaging is not included in a plan as a separate component, it is available with all Pinntel voice plans at the rate of one (1) text, either sent or received, to one (1) minute of airtime usage. Rates are attached as Exhibit E. In addition, Pinntel's terms and

⁵⁷ See section 54.405(e)(1).

⁵⁸ See Compliance Plan Public Notice at 3.

⁵⁹ The Company is not yet designated as an ETC in any states, but it filed a petition for ETC designation in Hawaii on March 23, 2012 and filed a petition for ETC designation in the federal jurisdiction states on February 11, 2013. The Company intends to prepare additional petitions and file where permitted.

conditions are included on its website at www.pinntel.com.

In addition to free voice services, Pinntel's Lifeline plan will include a free refurbished handset and custom calling features at no charge, including Caller ID, Call Waiting, Call Forwarding, 3-Way Calling, and Voicemail. All plans include domestic long-distance at no extra per minute charge. Calls to 911 emergency services are always free, regardless of service activation or availability of minutes. Lifeline customers can purchase an upgraded handset. No Lifeline reimbursements will be used to subsidize the cost of the free or upgraded handset. Any phone subsidy comes from Pinntel's ability to purchase low-cost handsets directly from manufacturers or its general revenues, which include substantial non-Lifeline and top-up revenues.

III. Demonstration of Financial and Technical Capabilities and Certifications Required for ETC Designation⁶⁰

Financial and Technical Capabilities. Revised Commission rule 54.202(a)(4), 47 C.F.R. 54.202(a)(4), requires carriers petitioning for ETC designation to demonstrate financial and technical capability to comply with the Commission's Lifeline service requirements.⁶¹ The Compliance Plan Public Notice requires that carriers' compliance plan include this demonstration. Among the factors the Commission will consider are: a carrier's prior offering of service to non-Lifeline subscribers, the length of time the carrier has been in business, whether the carrier relies exclusively on Lifeline reimbursement to operate, whether the carrier receives revenues from other sources and whether the carrier has been the subject of an enforcement action or ETC revocation proceeding in any state.

⁶⁰ See Compliance Plan Public Notice at 3.

⁶¹ See *Lifeline Reform Order*, ¶¶ 387-388 (revising Commission rule 54.202(a)(4)).

Pinntel is managed by Matthew LaHood, Josh Gordon, and Jose Solana. Mr. LaHood is the CEO of Pinntel and its majority owner, Pinnacle Group Holdings, Inc. Mr. Gordon is the COO of Pinntel and the President of Red Pocket, Inc., a minority owner of Pinntel. Mr. Solana is the Chief Compliance Officer of Pinntel and the President of Pinnacle Group Holdings, Inc. Additional individual ownership information for Pinnacle Group Holdings, Inc. and Red Pocket, Inc. is included as confidential Exhibit F. Pinntel receives revenue from sources that are completely independent from the revenue it will receive in the form of Lifeline reimbursements. Pinntel's minority owner Red Pocket has provided non-Lifeline prepaid domestic and international telecommunications and mobile data services since 2006 (www.goredpocket.com) and has a substantial non-Lifeline customer base. Consequently, Pinntel will not be relying exclusively on Lifeline reimbursement for its operating revenues. Pinntel receives revenues from these wholesale and non-Lifeline retail offerings, and also has access to other financial resources including from its parent company. The Company has not been subject to enforcement sanctions or ETC revocation proceedings in any state.

Service Requirements Applicable to Company's Support. The Compliance Plan Public Notice requires carriers to include "certifications required under newly amended section 54.202 of the Commission's rules."⁶² Pinntel certifies that it will comply with the service requirements applicable to the support the Company receives.⁶³ The Company will provide all of the telecommunications service supported by the Lifeline program and will make the services available to all qualified consumers throughout the states in which it is designated as an ETC. The Company's services will include voice telephony services that provide voice grade access to the public switched network or its functional equivalent. Further, the Company's service

offerings will provide its customers with a set number of minutes of use for local service at no charge to the customer. The Company's proposed Lifeline offerings include packages in Section II *supra* that can be used for local and domestic toll service.

The Company also will provide access to emergency services provided by local government or public safety officials, including 911 and E911 where available and will comply with any Commission requirements regarding E911-compatible handsets. As discussed above, the Company will comply with the Commission's forbearance grant conditions relating to the provision of 911 and E911 services and handsets.

Finally, the Company will not provide toll limitation service ("TLS"). Pinntel, like most wireless carriers, does not differentiate domestic long distance toll usage from local usage and all usage is paid for in advance. Pursuant to the *Lifeline Reform Order*, subscribers to such services are not considered to have voluntarily elected to receive TLS.⁶⁴

⁶⁴ See *Lifeline Reform Order*, ¶ 230.

IV. Conclusion

Pinnitel submits that its Compliance Plan fully satisfies the conditions set forth in the Commission's *Lifeline Reform Order*, the Compliance Plan Public Notice and the Lifeline rules. Accordingly, the Company respectfully requests that the Commission expeditiously approve its Compliance Plan.

Respectfully submitted,

A complete and signed Lifeline Service Application and Certification ("Certification") is required to enroll you in Pinnacle Telecommunications Group, LLC ("PINNTEL" or "Company") Lifeline service program in your state. This Certification is for the purpose of verifying your eligibility for Lifeline service. Service requests will not be processed until this Form has been received and verified by Company.

One Lifeline service per household disclosures: Lifeline is a government assistance program and willfully making false statements to obtain a Lifeline benefit can result in fines, imprisonment, de-enrollment or being barred from the program. Lifeline benefits are limited to a single line of service per household. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. A household may not receive multiple Lifeline discounts. You may apply your Lifeline discount to either one landline or one wireless number, but you cannot have the discount on both and you cannot receive Lifeline benefits from multiple providers. Note that not all Lifeline services are currently marketed under the name Lifeline. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person, including another eligible low-income consumer. Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program, and potentially prosecution by the United States Government.

I hereby certify, under penalty of perjury, that I have read and understood the disclosures listed above and that, to the best of my knowledge, my household is not already receiving a Lifeline service benefit.

Customer eligibility certification: I hereby certify that I participate in at least one of the following programs (**check one**):

- Supplemental Nutrition Assistance Program (SNAP)
- Section 8 Federal Public Housing Assistance (FPHA)
- Medicaid (not Medicare)
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- Low Income Home Energy Assistance Program (LIHEAP)
- National School Lunch Program's free lunch program
- Income at or below 135% of Federal Poverty Guidelines

Lifeline Service Application
Income Eligibility Worksheet**

Individuals in all states are able to enroll in the Lifeline program by demonstrating that their household’s annual income is at or below 135% of the Federal Poverty Guidelines. This table should be used to determine whether a Lifeline applicant is eligible for Lifeline service based on the number of individuals in the applicant’s household and the applicant’s household annual income:

HOUSEHOLD SIZE	INCOME LEVEL
1	\$15,512
2	\$20,939
3	\$26,366
4	\$31,793
5	\$37,220
6	\$42,647
7	\$48,074
8	\$53,501
For each additional person	Add \$5,427

Applicants must list the number of individuals in the applicant’s household on the Lifeline application form. Applicants seeking to qualify for Lifeline service based on their household income must present one of the following documents in order to prove eligibility:

- the prior year’s state, federal, or Tribal tax return
- current income statement from an employer or paycheck stub
- a Social Security statement of benefits
- a Veterans Administration statement of benefits
- a retirement/pension statement of benefits
- an Unemployment/Workmen's Compensation statement of benefits
- Federal or Tribal notice letter of participation in General Assistance
- a divorce decree, child support award, or other official document containing income information

If the documentation of income does not cover a full year, the applicant must present the same type of documentation covering 3 consecutive months within the previous 12 months.

This is a Lifeline service provided by Pinnacle Telecommunications Group, LLC (PINNTEL). Lifeline is a government assistance program. Only one Lifeline service is available per household. Households are not permitted to receive multiple Lifeline benefits whether they are from one or multiple companies, wireless or wireline. Proof of eligibility is required for enrollment and only eligible customers may enroll in Lifeline service. Consumers who willingly make false statements to obtain the benefit can be punished by fine or imprisonment or can be barred from the program. Lifeline is a non-transferable benefit. Lifeline customers may not transfer their benefits to any other person.
