

Why would you ever consider letting swear words be flung into the airwaves, into the world to hear? Why would you consider allowing nudity to be shown on tv? When I was a child, our adults protected us from this unchristian behavior and indecency. We were not faced with this deterioration of morality and values. Please, please hear my plea.

I oppose any changes to the current FCC indecency standards that would allow television and radio stations to broadcast expletives and nudity on the public airwaves, even if brief or ?fleeting.?

The Supreme Court has confirmed the FCC?s authority to enforce policies regarding expletives and nudity, especially during times when children are likely to be watching or listening.

Relaxing the current policy would not serve the public interest and I urge the FCC to reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations.
