

I feel strongly that the broadcast indecency policies should not change. We should not allow expletives and nudity, even if they are only brief and/or "fleeting," to be aired.

Our world is rapidly declining in its moral standards, which I do not think is a good thing for our society. As a mother of 3 young children, I do not want my children to be exposed to such language or nudity on public television.

Do not change the indecency policies!

Thank you,  
Stephanie
