

I oppose any and all changes to the current FCC indecency standards that would allow TV and radios to broadcast expletives o

and nudity on the public airwaves, even if brief, or "fleeting".

The Supreme Court has confirmed the FCC's authority to enforce policies regarding expletives and nudity, especially when children are likely to be watching.

Relaxing the current policy would NOT serve the public interest and I urge you to reject all proposals that would allow for the broadcast of expletives and nudity on the FCC licensed stations.
