Re: *Vonage's Petition for Limited Waiver*, CC Docket No. 99-200, GN Docket No. 13-5

Dear Ms. Dortch:

On April 11, 2013, Marc Lefar, Chief Executive Officer of Vonage, left a voicemail for Zachary Katz, FCC Chief of Staff, discussing the Commission's consideration of a Notice of Proposed Rulemaking addressing direct access to numbering resources and an accompanying limited trial of direct access to numbers.

Mr. Lefar explained the importance of the trial to provide real-world data to support the NRPM, and noted that recently raised concerns about the Commission's consideration of direct access have been addressed extensively in the record. Mr. Lefar urged the Commission to adopt a trial as an important step in reasoned decision making.

If you have questions or require any additional information, please do not hesitate to contact me at (202) 730-1346 or [bstrandberg@wiltshiregrannis.com](mailto:bstrandberg@wiltshiregrannis.com).

Sincerely,

Brita D. Strandberg
