Re: **CSR-8753-M, Docket No. 12-365**

Mr. Johnson,

We are in receipt of your third request for an extension of time filed on March 7, 2013, on behalf of your client, Western Pacific Broadcast LLC, Inc., licensee of station WACP, and requesting permission to file your reply to the opposition of Blue Ridge Cable Technologies ("Blue Ridge"), by April 5, 2013. You note again that the engineers of the respective parties have engaged in ongoing settlement discussions and that a delay may result in settlement, that the delay is for a very short duration, may only harm Western Pacific's interests, and that Blue Ridge is aware of your request and will not object to it. Accordingly, we will grant this third motion for extension of time, allowing you until April 5, 2013, to file your reply.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Banyai".
