

I am against any changes to the current FCC indecency standards. I oppose allowing television and radio stations to broadcast swear words, cuss words (i.e., F- word) and any form of nudity on the public airwaves, even if brief or "fleeting."The Supreme Court has confirmed the FCC's authority to enforce policies regarding expletives and nudity. I respectfully urge the FCC to reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations and request that you not allow any changes in policy. Thank you for allowing us to voice our opinion and giving the people in a democratic nation the right to have their say in the laws of the nation.
