CC Docket No. 02-6 WINDOW WAIVER REQUEST

3-28-13

Please consider my request for a waiver for filing FCC form 471 after the close of the window.

The FCC form 471 was filed late (electronically filed on 3-28-14) because of a late filing of FCC form 470. The FCC form 470 was submitted electronically on 2-28-13 due to an administrative error. In order to allow the mandatory 28 day window following the filing of my FCC form 470, the filing of my FCC form 471 was delayed.

Oberlin Public Library is very dependant on e-rate funding. With decreased revenue to public libraries across the state of Ohio we are very thankful for our e-rate savings which enable us to better serve the community.

I am respectfully requesting a waiver for our late FCC form 471 so that we can continue to serve the public the best that we are able.

Please let me know if you have any questions of concerns regarding this request.

Thank you,

Darren McDonough, Director
