

Dear Sirs,

The standards of morality and decency in our society continue to decline. Your agency is one of the last to uphold any of these standards. Please, Please, Please do not lower your enforcement and protection against nudity and profanity in our society. There may be a time and place for these things, but it is not on public broadcasts when young and innocent children may be influenced by such things.

Thanks you for your consideration of my Comments!!!

Dr. Rick Weible
