Re: Request for Waiver

Form 470 Application Number: 321060001132355

Form 471 Application Number: 910400 Security Code: 54464

Form 471 Application Number: 933269 Security Code: 61407

Dear Marlene,

I am respectfully requesting a waiver of the Form 470 deadline of February 14, 2013 and the Form 471 Deadline of March 14, 2013 for Saint Joseph Regional High School, Entity 7769. I recently took over the responsibility of eRate filings for my school after the retirement of my predecessor. In the process of trying to come up to speed with the deadlines, our school had incurred power outages due to the recent hurricane. I have completed and certified Form 471 Application Number 910400 (Priority 1 Items) and Form 471 Application Number 933269 (Priority 2 Items). I waited the required 28 days to receive in bids from service providers and selected the quotations after the system generated "March 28th window" in order to complete our Form 471 filings. Kindly grant a waiver of both Forms 470 and 471 to be accepted by the FCC. I have certified online that all forms are complete.

Thank you for your consideration.

Sincerely,

Sharon Mistretta
