Re: **Ex Parte Notice** - PS Docket 11-153 and PS Docket No. 10-255

Dear Ms. Dortch:

On April 25, 2013, Glenn Richards, Executive Director of the Voice on the Net Coalition (VON), and Gerard Waldron, counsel for Microsoft, met with Charles Mathias, Special Counsel to Chairman Genachowski, Sean Lev, David Horowitz and Brendan Carr, Office of General Counsel, and David Turetsky and David Furth, of the Public Safety and Homeland Security Bureau. During the meeting, VON discussed its comments filed in the above referenced proceedings concerning the jurisdiction of the Commission to require over-the-top IP-based SMS services to send a bounce back message to a user attempting to text 911 when such routing is not available.

Please contact me directly if you have any questions.

Sincerely,

/s/

Glenn S. Richards  
Executive Director
