

Even for a brief moment, it is not seemly for expletives and naked people to be parading themselves in my living room where my great grandchildren play.

I oppose any changes to today's current FCC indecency standards that would allow television and radio stations to broadcast such.

The Supreme Court has confirmed the FCCs authority to enforce policies regarding expletives and nudity, especially during times when children are likely to be watching or listening. Our family does not want it on at ANY hour.

Relaxing the current policy would only serve to deteriorate standards further than they already are! PLEASE reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations.

Sincerely,
Trish May
