

As a parent and a concerned citizen I am firmly opposed to any changes to the current FCC indecency standards that would allow television and radio stations to broadcast expletives and nudity on the public airwaves, even if brief or "fleeting."

The Supreme Court has confirmed the FCC's authority to enforce policies regarding expletives and nudity, especially during times when children are likely to be watching or listening.

Please know that relaxing this standard would be a great detriment to the citizens of this country. I am asking for you to reject any such proposals of change that would allow such a drastic and far reaching effect as this would have if allowed.

Thank you.
