

It is absolutely appalling to watch our society become more and more immoral. Hearing vulgar, uneducated, repulsive language is reprehensible. To demoralize the female population is even more so. Why make a mockery of women, by having them undressed on television, and in the movies. Why is it that children can not be safe from the vulgarities and immoral acts of the world? Why is it appropriate for women to be unclothed in order to get ratings in the media. Why should women be degraded, instead of being revered as a intelligent, capable people that do not need to get someone's attention by stripping. Why should children be subjected to all of this, or anyone else for that matter. This shows that some in our country, The United States of America, do not care about others. Whoever they are, does not want our country to be respected or admired. Satan creeps into our homes, on word at a time, one vulgar act at a time, one peek at immodesty one moment at a time. WE are no longer safe from the things in this world. It is going to take people with strong morals and a loud voice to stop the evil that is invading every facet of our homes, our lives, our families.

Who are going to be the future leaders of our country, immoral, vulgar mouthed, uneducated, people? Christian people, are being tested, Satan is at work. This must be stopped. Our homes need to be a safe haven not the next stop to destruction of our society.
