

No nudity plane and simple! It is bad enough during races games I have to watch out for violence, sex etc in commercials and previews. Now it will happen on regular shows? I cannot even have them watch most TV and things like these decisions are why? Is not watching the answer?

The Supreme Court has confirmed the FCC's authority to enforce policies regarding expletives and nudity, especially during times when children are likely to be watching or listening. Why?

Relaxing the current policy would not serve the public interest and I urge the FCC to reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations.
