Directed to: The Chief, Media Bureau

**MOTION FOR EXTENSION OF TIME TO REPLY TO  
OPPOSITION TO  
PETITION FOR SPECIAL RELIEF  
BY ORDER OF CARRIAGE**

Western Pacific Broadcast, LLC (“Western Pacific”), pursuant to Rule 1.46, hereby respectfully requests that the Bureau grant Western Pacific an extension ending on June 5, 2013, in which to file its reply to the opposition (the “Opposition”) submitted by Armstrong Utilities, Inc. (“Armstrong”) to Western Pacific’s above-captioned petition for an order requiring Armstrong to carry local commercial television station WACP in accordance with the Commission’s must carry rules and policies on Armstrong’s cable system(s) within the Philadelphia, PA designated market area for the remaining duration of the current must carry election cycle, expiring December 31, 2014.

The Opposition alleges that that Armstrong does not receive a good quality signal at Armstrong’s principal headend. Western Pacific’s consulting engineer and Armstrong’s

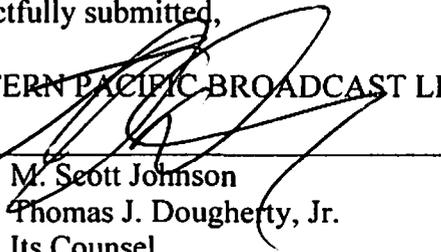

engineer have had discussions concerning the signal strength. Western Pacific believes that installation of equipment (filter and preamp) can overcome any concern with signal deficiency issues and Armstrong is willing to permit installation of the equipment and tests. Western Pacific purchased the equipment, which arrived in the last few days, and its engineer is in the process of contacting Armstrong's engineer to schedule installation and testing. The engineers will need additional time to install the equipment and to conduct tests. If this equipment functions as Western Pacific believes it will, the test results could resolve the controversy between Western Pacific and Armstrong, without the need for the Bureau to dedicate its resources to the consideration of the pleadings and the development of an order to formally resolve this dispute. Moreover, the grant of this motion could only harm the movant, Western Pacific, who is the party requesting action by the Bureau, and is for a very short duration. For these reasons, the grant of this motion would be in the public interest. Counsel for Armstrong has authorized Western Pacific to represent that Armstrong is aware of the intention of Western Pacific to file this motion and will not interpose an objection to this motion.

**WHEREFORE**, the foregoing premises considered, Western Pacific Broadcast, LLC hereby respectfully requests that the Bureau grant the additional time requested for Western Pacific Broadcast, LLC to submit its reply in the above-captioned matter.

Respectfully submitted,

WESTERN PACIFIC BROADCAST LLC
