Funding Year	2013
Application Type & Number	Form 471 Application #916813
FRNs	2551212, 2551213, 2551214
Waiver Request	Deadline on 471 filing

Waiver Explanation:

Central Linn School District is a small district with less than 100 employees. The employee who had previously completed E-rate filings for Central Linn School District and was the only person on staff with any training on E-rate, was eliminated suddenly leaving no time for training of a new coordinator. This sudden change in employment occurred in the middle of the E-rate 470 and 471 filing windows. During the transition to a new E-rate contact person, the filing deadline for Form 471 passed. The new E-rate coordinator learned that a 470 was required for month to month services, but not in time for the 470 to serve the 28 day waiting period. As a result, the Form 471 for the services was also filed after the deadline. Please waive the 471 deadline requirement due to extenuating circumstances at Central Linn School District. Not accepting the waiver would result in public school district funds being used for e-rateable phone services and not for classroom instruction; the purpose of education.

Sincerely,

Brian Gardner, Superintendent
