AFFIDAVIT OF MICHAEL J. HAZARD

State of NEVADA

CLARK County

I, Michael J. Hazard, attest that my statements are true to the best of my knowledge.

Comment round for ET Docket No. 03-137 and WT Docket No. 12-357.

1.) My name is Michael J. Hazard. My address is 2908 Broken Willow circle, Las Vegas, NV 89117.

2.) I am a Certified Water Quality Analyst Technician

3.) Whereas our society in general is being inundated with multiple sources of RF (Radio frequency) and EMF (Electromagnetic Force) output from Wi-Fi, Cell Phone towers and cell phones themselves, smart meters, smart phones, smart appliances, microwaves, dish networks etc.

4.) Whereas FCC standards for RF emissions are outdated having been established many years ago when the frequency of RF emitting devices was much more uncommon,

5.) Therefore, I'm requesting that a precautionary action level of 0.0003 uW/cm² to 0.0006 uW/cm² be implemented by the FCC for maximum RF level exposure to humans.

Respectfully submitted by

Michael J. Hazard
