AFFIDAVIT OF Kevin Mottus

State of CA]

LA County]

I, Kevin Mottus, attest that my statements are true to the best of my knowledge.

Comment round for ET Docket No. 03-137 and WT Docket No. 12-357.

1. My name is Kevin Mottus. My address is 11041 Santa Monica Blvd. #627 Los Angeles, CA 90025.

2. I am a SOCIAL WORKER.

3. This Submission addresses the following: 4. Other Technical Issues 53. Part 27 contains several additional technical rules applicable to all Part 27 services, including Section 27.51 (Equipment authorization), Section 27.52 (RF safety),⁹⁵

See attached. Geoge Carlo and Ketchum write the truth about what has happened with the wireless industry, how they have put people's health at risk, and how they have not been held accountable. It is time they and you the FCC are held accountable for exposing large numbers of people to a carcinogenic and harmful RF radiation emitted by wireless. Time you make amends by banning all forms of WiFi and drastically cutting allowable level of RF radiation exposure.

Respectfully submitted by:
