To whom it may concern;

Appellant Name: Richard Senturia, consultant for applicant.  
Applicant: Charlotte Christian, NC  
Applicant BEN #: 29325  
Applicant Form 471 #: 865754

We are requesting review and restoration of funding for FRN 2358890 for Finalsité/Active Internet Technologies (SPIN 143027394) for web hosting for funding year 2012.

We received a PIA letter from a USAC reviewer dated April 9, 2012 requesting additional documentation for discount documentation and FRN 2358890. We responded to the reviewer with the requested documentation on April 19, 2012. The Finalsité documentation was an invoice dated February 18, 2012.

The reviewer replied on April 24, 2012 that the Finalsité service was to be funded at 80%. Thus the request was modified to \$1333.33/month. On June 4, 2012 we were notified that the request for funding was denied for ineligible services because the invoice referenced software. The Funding Decision Commitment Letter was issued on July 10, 2012. We notified the client that the request had been denied.

On May 10, the client forwarded to us additional documentation that was received on May 10, 2012 from Finalsité. The documentation, which is included, is apparently a revised invoice dated January 19, 2012. We believe that this revised documentation might be adequate.

**Respectfully,**

**John Danley, for
