Dear Ms. Dortch:

On Friday, May 10, 2013, Jeffrey Carlisle, Executive Vice President, Regulatory Affairs and Public Policy of LightSquared Subsidiary LLC (“LightSquared”), and James Barker and the undersigned of Latham & Watkins LLP, outside counsel to LightSquared (collectively, the “LightSquared Representatives”), met with the Charles Mathias, special counsel to Federal Communications Commission (“FCC”) Chairman Genachowski; John Chambers, Acting Chief of the FCC’s Office of Strategic Planning and Policy Analysis; and Julius Knapp, Chief of the FCC’s Office of Engineering and Technology. In this meeting, the LightSquared Representatives urged a prompt grant of the above-referenced pending modification applications, and discussed the implementation of LightSquared’s network in accordance with the comprehensive proposal described in those applications, including LightSquared’s proposed shared use of spectrum at 1675-1680 MHz.

Please contact me with any questions.

Respectfully submitted,

/s/ John P. Janka
