

Please do what the public deserves...STOP blatant profanity, violence and sexual content on tv and other media! Please stop catering to networks and big Hollywood business and serve the public properly, especially children, who are negatively affected by viewing these types of shows.

Punish networks who breaks rules!

We parents need your help...it's a jungle out there, and your salary is being paid from my taxes! Do what is right and clean up the media NOW!!!!

I oppose any changes to the current FCC indecency standards. The FCC must continue to vigorously oppose ALL indecent content, even if brief or "fleeting."

The Supreme Court has affirmed the FCC's authority to enforce policies prohibiting indecent broadcast content during hours when children are likely to be in the viewing or listening audience.

Relaxing the current policy would not serve the public interest and I urge the FCC to reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations.
