COMMENTS INVITED ON APPLICATION OF XO COMMUNICATIONS, LLC TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 13-137
Comp. Pol. File No. 1109

Comments Due: June 6, 2013

Section 214 Application

Applicant: XO Communications, LLC

On May 3, 2013, XO Communications, LLC (XO or Applicant), located at 13865 Sunrise Valley Drive, Herndon, Virginia 20171-4661, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue a certain domestic telecommunications service in Arizona, California, Colorado, Idaho, Nebraska, New Mexico and Utah (collectively, Service Areas).¹

XO indicates that it currently offers Travel Card service in the Service Areas. XO specifies that its Travel Card service is provided by XO's operating subsidiary, XO Communications Services, LLC. XO describes its Travel Card service as a postpaid travel calling card service that enables enterprise customers to make long distance and international telephone calls when the customer is away from the office by dialing an access number and entering a PIN code. XO explains that its Travel Card service is offered as an independent service offering and is not dependent on a subscriber purchasing other, traditional telecommunications services from XO. XO asserts, however, that it is in the process of streamlining its product offerings and has decided to discontinue its Travel Card service to better focus on those services most requested by its customers.² Accordingly, XO states that it plans to discontinue its provision of Travel Card service to its enterprise customers located throughout the Service Areas effective June 21, 2013. XO maintains that the proposed discontinuance will not result in harm to affected customers because the Travel Card service generally is infrequently used. XO further submits that there are no issues regarding deposits and refunds to customers because the service is provided on a postpaid basis. XO adds that the affected customers are sophisticated purchasers of communications services and that they can easily obtain alternatives to the Travel Card service, including use of cellular telephones or services from other providers. XO indicates that it sent written notice to affected customers by first class mail on April 18, 2013, in accordance with the requirements of section 63.71 of the Commission's rules. XO asserts that it is considered non-dominant with respect to the service to be discontinued.

¹ XO's application was initially determined to be in red light status and was not cleared and updated to green until May 22, 2013.

² The discontinuance of international service is governed by 47 C.F.R. § 63.19.

In accordance with section 63.71(c) of the Commission's rules, XO's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies XO that the grant will not be automatically effective. In its application, XO indicates that it plans to discontinue its provision of Travel Card service to its enterprise customers located throughout the Service Areas effective June 21, 2013. Pursuant to section 63.71(c), absent further Commission action, XO may terminate its Travel Card service in the Service Areas on or after **June 22, 2013**. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **June 6, 2013**. Such comments should refer to **WC Docket No. 13-137 and Comp. Pol. File No. 1109**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
